

Wilson R. Jones
Executive Vice President and President of Fire & Emergency

Wilson R. Jones is Executive Vice President and President of Fire & Emergency. The Fire & Emergency group consists of the Pierce®, Oshkosh® Airport Products, Medtec®, Jerr-Dan®, BAI™, Oshkosh Specialty Vehicles, Frontline™ and SMIT™ brands. He is responsible for developing and executing the segment's growth strategies and continually improving customers' experience with segment products and aftermarket support. He was promoted to this position in September 2008

He also continues to serve as President of Pierce Manufacturing Inc. where he is responsible for Pierce Manufacturing Inc., Medtec Ambulance Corporation and Kewaunee Fabrications, L.L.C. He has held this position since July 2007.

Jones has also served as Vice President of Sales and Marketing for the Fire and Emergency Group. Jones joined Oshkosh Corporation in 2005, as the Vice President and General Manager of the Airport Products Business Unit, where he led a strategic International initiative for the company.

Jones has been in specialty vehicle manufacturing for more than 20 years. The last 12 years have been focused in the fire and emergency industry. Jones has served on the Board of Directors for the Fire Apparatus Manufacturers' Association and the American Ambulance Association.

Jones holds a bachelor's of business administration degree from the University of North Texas.
